Comprehension:

Read the following passage and answer the given questions

In a small village, Alex and Maya were best friends, admired for their inseparable bond. One day, a manipulative traveller named Lucas arrived, pretending to be their friend. Unaware of his true nature, Alex and Maya welcomed him.

Lucas saw an opportunity to exploit their friendship. He whispered lies, sowing doubt between them. Their bond started to fade as misunderstandings grew.

The villagers warned Alex and Maya about Lucas' intentions, exposing his deceit. Feeling hurt, they confronted him, standing united.

They broke free from Lucas' toxic influence, embracing their true friendship. Their bond grew stronger, teaching the village about trust, loyalty and unity.

Inspired by their resilience, the villagers marvelled at their unwavering friendship. Alex and Maya became symbols of true companionship, reminding everyone of friendship's power.

Their story spread a timeless reminder that true friends stand by each other through challenges, shining like stars in the darkness.

SubQuestion No : 22
